- * NOC of the schools surrounding the proposed school has been submitted.
- * **Ashirwad International School, Sector Five Chowk, Krishnagar, Almedabad-46**, run by Akashvani Education Trust, has submitted a new NOC of fire safety dated 24-06-2021 from the Chief Fire Officer, AMC regarding fire safety after the school fire incident.
- * **Guarantee of implementation of Fee Regulation Act- 2017, Guarantee of implementation of School Safety Policy- 2016, Guarantee of implementation of RTE Act- 2009** has been given.
- * Akashvani Education Trust, Ahmedabad has informed here that if fire break out in the new building of the proposed school and damage was done to the electronic equipment and furniture in the building, which has been reported bare by letter dated 09-04-2021.

Ahmedabad Education Trust Ahmedabad has informed by letter dated 02-07-2021 that in the strict view of the non-existing of the subject and damage was done to the electronic equipment and furniture in the building and after the new subject is about to repair, it has been asked to conduct a site inspection and approve the approval application.

Opinion of the District Education Officer :

Office of the Director of Primary Education, G.R. Gandhinagar issued by letter dated 21-06-2021, it was noted to conduct a site inspection of the said school and send a factual report. Accordingly, by letter dated 30-06-2021, the District Education Officer, Ahmedabad has conducted a site inspection by the Education Inspector and sent the report along with the recommendation. In which, a new fire NOC has been obtained from 24-06-2021. A certificate of structural engineer has been obtained on 07-05-2021 and after submitting all the basic photographs of the institution, it has been recommended to grant approval of the above named and medium to this trust-all adised considering the earlier application of the school.

In addition, the District Education Officer's Office, Ahmedabad has sent a site inspection report by letter dated 04-09-2021. Following the submission received by the District Office, the school's inspection committee visited the school and the Managing Trustee has given a clear written statement that no admission was given by the school nor did the said school charge any fee. During the site inspection, no educational merit was seen in the school. A new fire NOC of the school building has been submitted. It has also been stated that the statements made in the complaint/complaint received by the District Office are false.

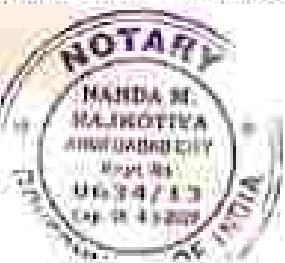

100

The Managing Trustee, Aberdeen Education Trust, is in the process of confirming that the school building has been completely assessed against the damage caused by the fire in Aodair International School, Krocummoor, Aberdeenshire. Therefore, a request has been made to inspect the school site and give approval for the school.

regarding which, the District Education Officer was asked to inspect the site of the said school and submit a report in his letter dated 21-06-2021. District Education Officer, Ahmedabad City dated 30-06-2021 has recommended approval considering the grounds. The District Education Officer's office, Ahmedabad has sent the said inspection report by letter dated 04-07-2021. The inspection committee visited the school and the managing owner has given a clear written statement that the school has not given any admission and the school has not charged any fee. During the site inspection, no educational work was seen in the school. A copy fix NOC of the school building has been submitted. The report also states that the statements made in the complaint/request received by the district office are false.

The formal report submitted by the school board for re-inspection after the fire on 02-04-2021 has been positive. The school board has re-issued the B.U.P. Regarding the submission regarding the provision of the plan map of Akash International School, the Estate and Urban Development Department of Maharashtra State, North Zone, has approved the plan map of Akash International School to Akash Dharm Education by letter dated 26-03-2021. Building Use Certificate (BUC) has been given from 01-03-2021. So, once the use permission is given, there is no provision for giving permission for the use / utilization of the same construction again.

GOVERNMENT OF
GUJARAT

regarding which a written reply has been given. A copy of which has been submitted
to the file, the Chief Education Officer, Ahmedabad has submitted a letter N.O.C. up to 22-
08-2012. A certificate of a structural engineer has been submitted on 07-09-2012.

Thus, The school board has provided the necessary documents after the fee to
the said school. All the necessary grounds for obtaining approval of the school have
been submitted as mentioned in the submission of the school board and in the report
received from the District Education Officer dated 20-06-2012 and dated 04-09-2012,
no grounds have been found for disapproval. No negative grounds have been
submitted by the petitioner either. Thus, the said facts, grounds and both the reports
of the District Education Officer, Ahmedabad city as well as no grounds against the
school have been received from the petitioner against the school till date. Keeping in
mind the above, it is now appropriate to approve each class of the new school for
standard 1 to 5 in English medium as per the appeal application of the said school.

Order:-

1. Dr. M.L. Joshi, Director of Primary Education (G.P.) I hereby order to
approve the proposal to start a new school for classes 1 to 5 in English medium, one
class each, in the proposal to start a new school in Alibardham Education Trust-emp
Akash International School, Krishnanagar, Ahmedabad, under the authority conferred
on me under the Gujarat Primary Education Act- 1947 and Mumbai Primary Education
Rules-1949 as mentioned in Principle- 2 and Gujarat P.T.E. Rules-2012 as
mentioned in Principle-1, taking into consideration the details mentioned in the above
resolution, the report of the District Education Officer, Ahmedabad and the grounds
submitted by the school board.

Opinion of the District Education Office:-

Office of the Director of Primary Education, D.R. Gandhinagar dated By letter dated 21-06-2021, it was asked to conduct a site inspection of the said school and send a final report. Accordingly, by letter dated 30-06-2021, the District Education Office, Ahmedabad, has conducted a site inspection by the Education Inspector and sent the report along with the recommendation in which, a new fire NOC has been obtained from 23-06-2021. A certificate of structural engineer has been obtained on 07-05-2021 and after submitting all the latest photographs of the institution, it has been recommended to grant approval of the above demand and resolution this trust-run school, considering the earlier application of the school.

In addition, the District Education Office's Office, Ahmedabad has sent a site inspection report by letter dated 04-06-2021. Following the submission received by the District Office, the schools inspection committee visited the school and the Managing Trustee has given a clear written statement that no admissions were given by the school nor did the said school charge any fee. During the site inspection, no educational work was seen in the school. A new fire NOC of the school building has been submitted. It has also been noted that the statements made in the complaint/commission received by the District Office are false.

Findings :-

The Managing Trustee, Alashkaran Education Trust, as mentioned 02-06-2021, stated that the school building has been completely renovated against the damage caused by the fire in Aksar International School, Kizhakkayam, Aluva, Aluva. Therefore, a request has been made to inspect the school and give approval for the school.

Regarding which, the District Education Officer was asked to inspect the site of the said school and submit a report on his letter dated 21-06-2021 to District Education Officer, Aluva, Aluva City dated 30-06-2021 and his recommended approval considering the grounds. The District Education Officer's office, Aluva, Aluva has sent the site inspection report by letter dated 04-07-2021. The inspection committee visited the school and the committee member has given a clear written statement that the school has not given any admission and the school has not charged any fee. During the site inspection no educational work was seen in the school. A new fee NOC of the school building has been submitted. The report also states that the admissions made in the complainant's query received by the district office are false.

The factual report submitted by the school invited for re-inspection after the forum (02-06-2021) has been positive. The school board has re-sent the D.O.P. regarding the admission regarding the permission of the plan map of Aksar International School, the Urban and Other Development Department of Malappuram Kaval Sodai, North Zone, has approved the plan map of Aksar International School to Alashkaran Education by letter dated 26-01-2021. Building Use Certificate (BUC) has been given from 01-07-2021. Because the use permission is given, there is no provision for giving permission by the use.

utilisation of the same construction again, regarding which a written reply has been given. A copy of which has been submitted. After the file, the Chief Fire Officer, Ahmedabad has submitted a fax NOC say to 22-04-2021. A certificate of structural engineer has been submitted on 07-05-2021.

Thus, The school has provided the necessary documents after the file to the said school. All the necessary grounds for obtaining approval of the school have been submitted as mentioned in the submission of the school board and in the report received from the District Education Officer dated 10-04-2021 and dated 04-09-2021, no grounds have been found for disapproval. No negative grounds have been submitted by the previous officer. Thus, the said facts, grounds and both the reports of the District Education Officer, Ahmedabad city as well as no grounds against the school have been received from the petitioner against the school at date, keeping in mind the survey, it is not appropriate to approve such item of the new school for standard 6 to 8 in English medium as per the appeal application of the said school.

Order:-

1. Dr. M.L.Joshi, Director of Primary Education (U.P.) I hereby order to approve the proposal to start a new school for classes 6 to 8 in English medium, one class each, to the proposal to start a new school in Aksharbhumi Education Trust-run Action International School, Krishnamurti, Ahmedabad, under the authority conferred on me under the Gujarat Primary Education Act, 1947 and Mumbai Primary Education Rules-1949 as recognised in Gyanik-2 and Gyanik-3 T.E.Bills-2012 as mentioned in Paragraph-1, taking into consideration the details mentioned in the above conclusion, the report of the District Education Officer, Ahmedabad and the grounds submitted by the school board.

The District Educational Officer, Ahmedabad city is directed to register
the said schools/colleges and take further action as per the rules and to issue a
certificate of recognition along with compliance with the necessary regulations.
District Primary Education Act-1947, Mandsaur Primary Education Rules-1949,
RTE. The institution is granted subject to the provisions of the Rules of the RTE
Act-2009, RTE Rules-2012, School Safety Policy-2016 and Fee Regulation
Act-2017 as well as the amendments made by the Government in the said
rules from time to time and the instructions issued and coming from the
Government are implemented.

(Dr. M. I. Joshi)

Shri:

In accordance with the above decision of the Government regarding
the registration of new schools from June-2021, it is hereby informed to You
that in accordance with the provisions of the Gujarat Secondary and Higher
Secondary Education Act 1972 (Gujarati Act No. 18 of 1973 and Gujarat Act
No. 14 of 2007) and the Secondary Education Regulations-1974 issued there-
under and the Government Resolution/Board Circulars made in this regard,
your above mentioned new Secondary (Class-9) school ANKUR INTERNATI-
TIONAL SCHOOL, ANKUR INTERNATIONAL SCHOOL, OPP.

AGRAWAL HALL NR. SARDAR CHOWK,

KRISHNANAGAR, AHMEDABAD CITY is hereby registered as a new
school with the condition of not taking grant on a permanent basis from
June-2021. And permission is given to continue the first class of Class-9 in
your school. The medium of education in your school will be- English
stream General type- Both. You will have to comply with the following
conditions. When any condition is found to be violated, the Board may take
action under the provisions of Regu- (Section-9K) and cancel the registration
of your school.

Conditions:

- 1) The Board should be satisfied that the governing body of the school is comp-
tent and reliable. And its administration is headed by a properly constituted
management board and it is financially viable.

- (3) The officers of the Board or a person authorized by the Board or any officers of the Education Department will be allowed to inspect the school.
- (4) The school should have a building with necessary facilities, furniture, equipment, stationery and other materials as per the norms specified in the regulations and the circular issued by the Board in this regard and the academic and non-academic staff as per the qualifications specified in the regulations should be appointed as per the rules. In addition, the school should provide adequate health facilities for the students.
- (a) If it is a pre-basic school, then the education of the industry indicated in the circular shall be years. Also, provision of land, money, workshop, instructional room etc. according to the industry shall be made as per the rules.
- (b) The pre-basic school shall have to arrange a hospital.
- (5) The board shall be satisfied that the education imparted in the school is satisfactory in all respects.
- (6) The school shall use only the curriculum approved by the government and the textbook approved from time to time.
- (7) Students may be admitted to different standards only as per the conditions fixed by the board.
- (8) For promotion of students from one standard of the school to the next standard, admission shall be made as per the standards fixed by the board for the test of students.
- (9) The rate of education fee and the salary scales of educational and non-educational staff shall be as per the government.
- (10) The school shall prepare and submit the reports and awards prescribed by the Board with the necessary details within the time limit.

(3)

- (17) The school employees shall be required to withdraw money from the school account regularly every month and pay their salaries as per the government rules and regulations through the bank in the employee's account.
- (18) All school records should be available with the principal in the school office.
- (19) If certificates/supports are obtained from universities/institutions outside the state of Uttarakhand, the school board will have to go to the university/institution to get such certificates/supports verified and the school board will be held responsible for this.
- (20) As per the guidelines given in the judgment of the Hon'ble Supreme Court (Civil Petition No. 438/04 dated 13.4.09) regarding the safety of the school building, higher ceilings, etc., adequate steps will have to be taken for the safety of the school building, roof/ceilings, etc., which are necessary for the safety of the students, and in this regard, approvals will have to be obtained from the relevant concerned authority/official as per the norms; subsequent precautionary measures will have to be taken, approvals, inspections, etc. to be taken from time to time will have to be done in advance within the prescribed time limit, and certificate/approvals will have to be obtained. In case of default in this regard, legal action will be taken against the school board.
- (21) The conditions mentioned in the Government's order dated 3-7-91, No. RMS/1993/1322, shall be followed.
- (22) The conditions mentioned in the Resolution of the Education Department dated 17.7.2011, No. RMS-1111-1173, dated 17.7.2011, determining the management policy of non-government secondary/higher secondary schools without grant, shall be strictly followed.
- (23) CCTV camera recording facility should be available and the District Education Officer should be aware of the same.

(6)

- (26) The school board shall admit students to the class as per regulation - 9 (1).
- (27) The school board shall not issue or compulsorily make a guardian to purchase books & stationary uniform or others from its own institution or any other institution or agency.
- (28) The provisions of the Gujarat Self-reform School Fee Control Act - 2017 and the rules made thereunder shall be applicable to this school and an undertaking shall be submitted to comply with the same.

Your school board Std-9 has been granted temporary permission to start the said school with lower references of this office. Accordingly, the said secondary school can be put into use from June-2021. Keeping this fact in mind, the registration of the said school is being suspended from June-2021. If the said school is closed or will be closed before or after the receipt of this registration letter, this registration letter will automatically be cancelled and a new proposal for the school will have to be made in the next year.

Note - For approval of substantive claim for Std-10 from June-2022, action will have to be taken as per the board's requirement.

In accordance with the above subject, it is hereby certified that the application of the reference letter-1 is hereby approved for admission of me class as a consecutive class of Std-10 stream-General Medium English from June 2025 in your institution ANKUR INTERNATIONAL SCHOOL.

Scanned with OKEN Scanner

(2)

Based on the details and information mentioned in the reference [

submitted by you, in accordance with the regulation 10(1) of the Gujarat Secondary and Higher Secondary Education Regulation 1974, I class to approve incrementally in Std. 10, Stream-General. Now the status of the class will be as follows.

Srl.	Medium	Stream	Current classes	Approved classes	Total classes
10	English	General	0	1	1

The details mentioned in the online application, the details of the registration form and the details mentioned in the addendum are correct. It has been decided to approve the requested class. If these details or the facts are proven to be wrong, all responsibility will lie with the school and steps will be taken against the school, including cancellation of registration, which you are requested to take special note of.

Along with this, the following conditions will have to be strictly followed.

Conditions:

- (1) The school building should have adequate provision of classrooms with sufficient area and ventilation as per the rules and also adequate provision of health facilities.
- (2) Due to this class increase, the appointment of qualified teachers as per the rules as per the requirements of the subjects as per the rules as per the requirements of the subjects as per the rules has to be done immediately. It has to be done within 30 days from the receipt of the letter.
- (3) Laboratory coats, science equipment, other educational equipment and furniture should be provided in sufficient quantity as per the class increase/gradient class.
- (4) The school library should be enriched by purchasing necessary and useful

books for supplementary reading as per the prescribed curriculum for taught subjects.

- (ii) Care should be taken to ensure that there is no overlapping deployment of buildings with local or nearby residential schools.
- (iii) The conditions mentioned in the Government's letter dated 12/3/03 (No. DMEU/1999/3227) and the Education Department's letter dated 23/3/03 (No. DMEU/2003/3227) and the Government's policy on self-reliant schools dated 1/2/04 shall be followed.
- (iv) This approval is given on the condition that all the approvals regarding the construction of the building and the school's sports ground have been obtained. Therefore, the District Education Officer shall ensure this. If the ground is constructed in the previously mentioned area, the use of the ground to be kept as per the rules should not be allowed.
- (v) If certificates/endorsements have been obtained from a university/institution outside the state of Gujarat, the school board shall have to go to that university/institution in person to verify the certificates/endorsements of the staff members.
- (vi) The institution management shall make all arrangements for safety including fire safety.
- (vii) As per the judgment given in Civil Petition No. 483/2004 filed in the Supreme Court of India, the school building shall be safe in all respects and shall be as per the safety norms prescribed by the National Building Code of India. Also, the school building shall be safe from units/distances that may cause fire or explosion in the vicinity.
- (viii) It shall be the responsibility of the school board to ensure that the school board complies with the Gujarat Secondary and Higher Secondary Education Act, 1972 and the regulations, rules and instructions framed thereunder.
- (ix) If the grant-aided classes of the standard or the medium for which the said successive class additional allowances are sought are running at the requested place, the approval of self-reliant classes shall be automatically cancelled.

(4)

- (13) No permission shall be allowed to run more than one class of the same standard at the same location under any circumstances.
- (14) Teachers appointed at your institution shall be released from the order for supernumerary teaching work. They shall not be released in the current academic year.
- (15) No half-qualified (incomplete) teachers of granted schools, local teachers, tuition class teachers shall not be stopped from teaching.
- (16) The school shall not be run as a day school.
- (17) The class shall be considered approved only if there are 40 students in the approved classes. More than 40 students shall not be admitted in any one class.
- (18) All the conditions fixed by the board shall be followed while operating your school.
- (19) CCTV recording facility shall be available and the District Education Office shall be assured of the same.

mendation.

Sir/Mam,

In accordance with the above decision of the Government regarding
the registration of new schools from June 2021, it is hereby informed to you
that in accordance with the provisions of the Gujarat Secondary and Higher
Secondary Education Act 1972 (Gujarat Act No. 18 of 1972 and Gjariat Act
No. 14 of 2002) and the Secondary Education Regulations-1978 framed there-
under and the Government Resolutions/Board Circulars made in this regard,
your above mentioned new Secondary (Class-I) school ANKUR
INTERNA- TIONAL SCHOOL, ANKUR INTERNATIONAL
SCHOOL, OPP. AGRAWAL HALL, NR. SARDAR CHOWK,
KRISHNANAGAR, AHMEDABAD CITY is hereby registered as a new
school with the condition of not taking grant on a permanent basis from
June 2021. And permission is given to conduct the first class of Class-I in
your school. The medium of education in your school will be- English
stream General type- Both. You will have to comply with the following
conditions. When any condition is found to be violated, the Board may take
action under the provisions of Regulation-8(X) and cancel the registration
of your school.

Conditions:

- 1) The Board should be satisfied that the governing body of the school is compe-
tent and reliable. And the administration is handled by a properly constituted
management board and it is financially stable.

- (c) The officers of the Board or a person authorized by the Board and the inspectorates of the Education Department will be allowed to inspect the school.
- (d) The school should have a building with necessary facilities, furniture, laboratory, equipment, stationery and other materials as per the norms specified in the regulations and the circular issued by the Board in this regard and the academic and non-academic staff as per the qualifications specified in the regulations should be appointed as per the rules. In addition, the school should provide adequate health facilities for the students.
- (a) If it is a post-basic school, then the situation of the industry indicated in the structure will be yours. Also, provision of land, water, workshop, industrial shop etc. according to the industry shall be made as per the rules.
- (b) The post-basic school shall have to arrange a hostel.
- (e) The board shall be satisfied that the education imparted in the school is satisfactory in all respects.
- (f) The school shall use only the curriculum approved by the government and the textbooks approved from time to time.
- (g) Students may be admitted to different standards only as per the conditions fixed by the board.
- (h) For promotion of students from one standard of the school to the next standard, admission shall be made as per the standards fixed by the board for the next standard.
- (i) The rate of education fee and the salary scales of educational and non-educational staff shall be as per the government.
- (j) The school shall prepare and maintain the registers and records prescribed by the Board with the necessary details within the time limit.

(4)

- (10) The records, statistical sheets and certificates given by the principal or administrators of the school shall be reliable.
- (11) The school shall complete the appointment of qualified teachers as per the norms as per Regulation 20 within one month from the date of issue. Such employees shall be required to appear on duty whenever called for any work in the public functions of the Board.
- (12) The Board shall be satisfied that the employees and students of the school satisfactorily comply with the disciplinary rules prescribed by the Board from time to time.
- (13) The Governing Body shall ensure that no illegal school or class or tuition class is running in the school building.
- (14) The Board shall not prepare or send the same candidate who has passed any of the examinations conducted by it for the same examination again (for the second time).
- (15) The school shall not refuse admission to any student on the basis of religion, community, caste, language or any other such reason.
- (16) The Board shall not start a new standard or additional class in the school or rooms if without obtaining prior permission from the District Education Officer authorized by the Board.
- (17) For further information regarding the recruitment of staff, the guidance of your District Education Officer shall be sought; And it shall be implemented accordingly.
- (18) The Board and your District Education Officer shall be informed about the arrangement of suitable building and other physical facilities for the school within one month of this order.

(S)

- (1) The school employees shall be required to withdraw money from the school account regularly every month and pay their salaries as per the government rules and regulations through the bank in the employee's account.
- (2) All school records should be available with the principal in the school office.
- (3) If certificates/supports are obtained from universities/institutions outside the state of Gujarat, the school board will have to go to the university/institution and get such certificates/supports verified and the school board will be held responsible for this.
- (4) As per the guidelines given in the judgment of the Hon'ble Supreme Court Civil Petition No. 43804 dated 13.4.09 regarding the safety of the school building, higher ceilings, etc., sufficient steps will have to be taken for the safety of the school building, new ceilings, etc., which are necessary for the safety of the students and in this regard, approvals will have to be obtained from the relevant competent authority/official as per the norms, adequate fire safety measures will have to be taken, approvals, inspections, etc. to be taken from time to time will have to be done in advance within the prescribed time limit, and certificates/approvals will have to be obtained. In case of default in this regard, legal actions will be taken against the school board.
- (5) The conditions mentioned in the Government's order dated 3-7-97, No. 11MSU 1997/1322, shall be followed.
- (6) The conditions mentioned in the resolution of the Education Department dated 1/7/00 (L. No. RMS-1111-1123, dated 1/7/2001), determining the management policy of non-government secondary/higher secondary schools without grant, shall be strictly followed.
- (7) CCTV camera recording facility should be available and the District Education Officer should be aware of this rule.

(iii) The school board shall admit students to the class as per regulation - 9(13).

(iv)

(v) The school board shall not insist or compel the student/guardian to purchase stationery, books, library, uniform or shoes from its own institution or any other institution or agency.

(vi) The provisions of the Gujarat Self-reliant School For Control Act - 2017 and the rules made thereunder shall be applicable to this school and no undertaking shall be submitted to comply with the same.

Your school board Std-11 has been granted temporary permission to start the said school vide letter reference-3 of this office. Accordingly, the said secondary school run by your trust has been started from June-2021. Keeping this fact in mind, the registration of the said school is being registered from June- 2021. If the said school is closed or will be closed before or after the receipt of this registration letter, this registration letter will automatically be canceled and a new proposal for the school will have to be made in the next year.

Note - For approval of successive classes for Std-12 (say June-2022), action will have to be taken as per the board's announcement.

Scanned with OKEN Scanner

(2)

Based on the details and information mentioned in the submitted application made by you, in accordance with the regulations (R&R) of the Gujarat Secondary and Higher Secondary Education Regulations-1973, I find it appropriate especially in Std. 10, Stream General. Now the status of the class will be as follows.

Std.	Medium	Subject	Current classes	Approved classes	Total classes
10	English	Science	0	1	1

The details mentioned in the online application, the details of the organization and the details mentioned in the intimation are correct. It has been decided to approve the segmental class. If these details or the basis may prove to be wrong, all responsibility will lie with the school and steps will be taken against the school, including cancellation of registration, which you are requested to take special note of.

Along with this, the following conditions will have to be strictly followed:

Conditions:-

- (i) The school building should have adequate provision of classrooms with adequate area and ventilation as per the rules and also adequate provision of health facilities.
- (ii) Due to this class increase, the appointment of qualified teachers as per the rules as per the requirements of the subjects as per the rules as per the requirements of the subjects as per the rules has to be done immediately. It has to be done within 30 days from the receipt of the letter.
- (iii) Library books, science equipment, other educational equipment and furniture should be provided in sufficient quantity as per the class increase gradewise.
- (iv) The school library should be enriched by purchasing necessary and useful books for supplementary reading as per the prescribed curriculum for teachers and students.

(3)

- (i) Care should be taken to ensure that there is no unauthorized occupation of land by any unauthorized persons.
- (ii) The conditions enunciated in the Government's letter dated 17/7/93 No. BMS/1993/3227 and the Education Department's letter dated 21/2/93 No. BES/129/3227 and the Government's policy on self-reliant schools dated 1/7/91 shall be followed.
- (iii) This approval is given on the condition that all the approvals regarding the construction of the building and the school's sports ground have been obtained. Therefore, the District Education Officer shall ensure this. If the ground is constructed in the previously mentioned area, the use of the ground to be kept as per the rules should not be reduced.
- (iv) If certificates/credentials have been obtained from a university/institution outside the state of Odisha, the school/board shall have to go to that university/institution in person to verify the certificates/credentials of the staff members.
- (v) The institution/information shall make all arrangements for safety including fire safety.
- (vi) As per the judgment given in Civil Petition No. 483/2004 filed in the Supreme Court of India, the school building shall be safe in all aspects and shall be as per the safety norms prescribed by the National Building Code of India. Also, the school building shall be safe from substances that may cause fire or explosion in the vicinity.
- (vii) It shall be the responsibility of the school board to ensure that the school board complies with the Odisha Secondary and Higher Secondary Education Act 1972 and the regulations, rules and instructions framed thereunder.
- (viii) If the grant-aided classes of that standard of the institution for which the said intercollegiate class/extra class is sought are running in the proposed place

(4)

the approval of sufficient classes shall be automatically cancelled.

- (2) No extension shall be allowed to run more than one class of the same student
of the same subject under any circumstances.
- (3) Teachers appointed in your institution shall be released from the order: Be
regular, strong work. They shall not be released in the current academic
year.
- (4) In a non-grouped school, teachers of grouped schools, local benefactors, tutorial
class teachers shall not be stopped from teaching.
- (5) The school shall not be run as a day school.
- (6) The class shall be considered approved only if there are 40 students in the
approved classes. More than 60 students shall not be admitted in any
class.
- (7) All the conditions fixed by the board shall be followed while reporting your
school.
- (8) CCTV recording facility shall be available and the District Education Officer
shall be assured of the same.

Application No. of the successive class: GSCL/NC/590/22/0331

19 JUN 2022

In accordance with the above subject, it is hereby notified that the application of the reference letter 3 is hereby approved for admission of the class in a consecutive class of Std-10 stream -General, Medium English from June 2022 in your institution ANKUR INTERNATIONAL SCHOOL.

Scanned with OKEN Scanner

(7)

Based on the details and information mentioned in the reference application made by you in accordance with the regulation 10(1) of the Gujarat Secondary and Higher Secondary Education Regulation, 1974, I class is approved sequentially in Std 10, Stream-Gender. Now the ratio of the class will be as follows:

Sr.	Medium	Stream	Current classes	Approved classes	Total classes
12	English	Gender	8	1	9

The details mentioned in the above application, the details of the registration form and the details mentioned in the addendum are correct. It has been decided to approve the additional class. If these details or the facts are proven to be wrong, all responsibility will lie with the school and steps will be taken against the school, including cancellation of registration, which you are requested to take special note of.

Along with this, the following conditions will have to be strictly followed:

Conditions:

- (1) The school building should have adequate provision of classrooms with adequate area and ventilation as per the rules and also adequate provision of health facilities.
- (2) Due to this class increase, the appointment of qualified teachers as per the rules as per the requirements of the subjects as per the rules as per the regulations of the subjects as per the rules has to be done immediately. It has to be done within 30 days from the receipt of the letter.
- (3) Laboratory room, science equipment, other educational equipment and furniture should be provided in sufficient quantity as per the class increase/practical class.
- (4) The school library should be enriched by purchasing necessary and useful books for supplementary reading as per the prescribed curriculum for teaching and students.

三

- (x) Care should be taken to ensure that there are appropriate adaptations of numbers with regard to nearby secondary schools.

(xi) The guidelines mentioned in the Government's letter dated 17/1/91 No. DMS/1943/11227 and the Information Department's letter dated 21/3/91 No. DMS/1943/11227 and the Government's policy on self-reliance schools dated 3/7/11 shall be followed.

(xii) This appeal is given on the condition that all the approvals regarding the construction of the building and the school's sports ground have been obtained. Therefore, the District Education Officer shall ensure that if the ground is constructed in the previously mentioned area, the size of the ground to be kept as per the rules should not be reduced.

(xiii) If certificates/documents have been obtained from a university/institution outside the state of Odisha, the school board shall have to go to that university/institution to procure to verify the certificates/documents of the staff members.

(xiv) The administration/management shall make all arrangements for safety including fire safety.

(xv) As per the judgment given in Civil Writ Petition No. 4032004 (dec'd in the Supreme Court of India), the school building shall be safe in all respects and shall be as per the safety norms prescribed by the National Building Code of India. Also, the school building shall be safe from units/substances that may cause fire or explosion in the vicinity.

(xvi) It shall be the responsibility of the school board to ensure that the school board complies with the Central Secondary and Higher Secondary Education Act 1972 and the regulations, rules and instructions framed thereunder.

(xvii) If the grant-aided classes of that standard of the medium for which the mid-

(4)

Additional class is being approved in the concerned school.

The approval of additional classes shall be automatically discontinued.

- (1) No minimum class strength in any one class one class of the school should be off the scale mentioned under the circumstances.
- (2) Teachers appointed in your academic shall be allowed than the limit for appointment, testing work. They shall not be allowed in the current academic year:
- (3) In a non-granted school, teachers of granted schools, local teachers, higher class teachers shall not be stopped from teaching.
- (4) The school shall not be run as a day school.
- (5) The class shall be considered approved only if there are 40 students in the approved classes. More than 40 students shall not be admitted in any one class.
- (6) All the conditions fixed by the Board shall be followed while registering your school.
- (7) CCTV recording facility shall be available and the District Education Officer shall be aware of the same.
